Yetnayet Lakew Aramde

🎓 EDUCATION

Addis Ababa Science and Technology University (AASTU) 🔗

Software Engineering BSc.
- **Dean's List** 🔗
- **Relevant Coursework**

Africa to Silicon Valley (A2SV) 🔗

Advanced Algorithms & Data Structures Fellowship
- **Mastered** **Data Structures & Algorithms** **Competitive Programming**

- **Designed and iterated** **e-banking UI (React.js, Next.js, Tailwind CSS)**

🧩 TECHNICAL SKILLS

- **Programming Languages:**
- **Frameworks & Tools**

💼 PROFESSIONAL EXPERIENCE

Lion Green Solutions

Backend and Mobile Developer 🔗
- **scalable database schemas** **MongoDB, improving data retrieval speeds by 40% and reducing server response times by 150 milliseconds.**
-
- **Collaborated cross-functionally** **seamless integration**

eskalate.io

Software Engineering Intern 🔗
- **Built a modular blog interface**

- **improved**
- **Facilitated deployment** **version control** **code reviews**
- **Reviewed 10+ pull requests**

📂 PROJECTS

Class Scheduling System 🔗

Course Project
- **Led a team of 6** **build** **Automated Class Scheduling System** **orchestrating full-stack integration**
- **Reduced scheduling conflicts by over 50%** **designing and applying**

ProLink 🔗

Hackathon Project
- **Architected ProLink** **real-time mobile application (Flutter)**

- **Integrated a job search & project marketplace** **Firebase**

- **Created** **3rd Place at AASTU Tech Fest**

🧩 LEADERSHIP AND EXTRACURRICULARS

Cohort Lead 🔗

Introduction to Game Development
- **50+ students**

🎖 AWARDS

Top 8 Innovator 🔗
- **pioneering**
